## 2020-2021 BUDGET MESSAGE

### THE 2020-2021 BUDGET CONSISTS OF FOUR ACTIVE FUNDS

- General Fund
- Volunteer Spending Authority – Trust & Agency Fund
- General Obligation Bond - Capital Projects Fund
- General Obligation Bond - Debt Services Fund

### FINANCIAL POLICY FOR 2020-2021

- As of July 1, 2019, the Board of Directors have established a new direction encompassed within the approved Intergovernmental Agreement (IGA) between Sheridan, SW Polk and West Valley Fire Districts. The IGA incorporates the following services: administrative, operational and financial.
- For the first time in five years, SW Polk is going to see a decline in their carryover and a subsequent decrease in their unappropriated ending fund balance.
- The budget meets The District's mission, vision and values and the direction of the Board of Directors. Administration is following the Board's direction toward the dissolution and reformation project of the three districts.

### GENERAL FUND CHANGES IN THE 2020-2021 FISCAL YEAR

- Materials & Services:
  - \$10,000 decrease in apparatus and equipment maintenance due to new apparatus being ordered
  - Grant line item demonstrates \$400,000 of anticipated grant revenue for the Salt Creek Station and other minor grants
  - Contractual services continues the hosting of administrative and firefighter staff through Sheridan Fire District
  - Maintains current funding level for the volunteer program
- Capital Outlay: No capitol purchases or projects are being budgeted outside the bond measure expenditures.

### VOLUNTEER SPENDING AUTHORITY

- Funding was decreased by \$5,740 due to the District accepting uniform procurement and other purchases in collaboration with the volunteers.

### GENERAL OBLIGATION FUND – CAPITAL PROJECTS IN THE 2020-2021 FISCAL YEAR

- Construction has begun at all three locations:
  - Salt Creek
  - Rickreall
  - Bridgeport
- The Apparatus Committee has deliberated, decided and started the procurement process for three pumper/tender apparatus. The down payment was made out of the 2019-20 budget and the remainder of the apparatus costs will be processed during this fiscal year.
